

Where can I find digital mammography?

Look no further than the Women's Center at Bayshore Community Hospital in Holmdel. Digital mammography captures remarkably clear, accurate images and allows for prompt results. All this, with the care, comfort and expertise you've come to expect from us.

- Pre-registration for faster visits
- Weekday, evening and Saturday appointments
- Board-certified radiologists
- Free parking
- Plus stereotactic and ultrasound guided biopsies, breast MRI and bone density scans
- ACR-accredited facility

*To schedule an appointment,
call 732.739.5982*
